

## Add Applications to a Catalyst Access Code

1. Click **Catalyst: Add Applications to Access Codes** from the *Manage Reports* menu.

2. Use the search criteria to filter your results.
3. Select access codes by clicking the box to the left of the name. Then click **Next** to continue. To select all access codes returned by the search, click **Select All**.
4. Select the applications to add to the listed access codes and click **Save**. A notification email is sent to the learners.
